OnlineDEU Guide in 12 Steps

For students

2- https://online.deu.edu.tr

To log in to onlineDEU, type **"https://online.deu.edu.tr"**to the address bar of your Internet browser and open the page.

1- DEBIS

Students who have just matriculated and will log in to the system for the first time, must log in with their DEBIS account via "http://debis.deu.edu.tr/" address" first. Passwords for the new students are provided during enrollment by the "DEU Bilgi İşlem" department. If you wish, you can change your password via DEBIS.

← → C (% online.deu.edu.tr Dokuz Eylül Üniversitesi | DEUZEM online.deu.edu.tr

3-Logging into onlineDEU

Type your username and password to the area on the right side to log into onlineDEU. Type, "**yourstudentnumber@ogr.deu.edu.tr**" as username,

and "DEBIS Password" as your password.

3- Lectures

When you enter the system and open the **Lectures** menu in the upper right corner, the codes of the lectures you need to follow will be listed. You can access the contents of a lecture by clicking on its tab. If you want to see your courses listed in the top menu, you need to mark them by clicking the yellow star reaction next to the course code.
